June 27, 2022

SOUTH SAN FRANCISCO, Calif.--(BUSINESS WIRE)--Jun. 27, 2022-- [Veracyte, Inc.](#) (Nasdaq: VCYT), a global diagnostics company, today announced that it has been named a Bay Area Top Workplace for the ninth consecutive year.

The annual award is based solely on employee feedback gathered through an anonymous, third-party survey administered by Energage, LLC. The survey measures 15 culture drivers that are critical to organizational success, including alignment, execution, and connection. On average, fewer than three percent of eligible organizations earn a Top Workplaces designation.

Veracyte employees participating in the survey ranked the company most highly for fostering strong interdepartmental cooperation and doing things efficiently and well. When asked to describe Veracyte’s culture in three words, employees most often referred to the company as “flexible,” “friendly,” and “collaborative.”

“We are honored that Veracyte has been recognized as a Bay Area Top Workplace for the ninth consecutive year,” said Marc Stapley, Veracyte’s chief executive officer. “I truly believe our employees are our greatest asset and are key to helping us achieve our vision of improving outcomes for patients all over the world. It’s gratifying to see that our focus on our people and culture is reflected in our employees’ daily experiences.”

The *San Francisco Chronicle* published the complete list of 2022 Top Workplaces winners on Sunday, June 26. The complete list of awardees can be found [here](#).
