AUDIT COMMITTEE CHARTER

Effective as of October 24, 2018

PURPOSE

The purpose of the Audit Committee (the “**Committee**”) of the Board of Directors (the “**Board**”) of Veracyte, Inc. (the “**Company**”), shall be to:

- Provide oversight of the Company’s accounting and financial reporting processes and the audit of the Company’s financial statements;
- Assist the Board in oversight of (i) the integrity of the Company’s financial statements presented to any governmental body or the public, (ii) the Company’s compliance with legal and regulatory requirements, (iii) the independent auditor’s qualifications, independence and performance, and (iv) the Company’s internal accounting and financial controls; and
- Provide to the Board such information and materials as it may deem necessary to make the Board aware of significant financial matters that require the attention of the Board.

In furtherance of these purposes, the Committee will undertake those specific duties and responsibilities listed below and such other duties as the Board may from time to time prescribe.

The Committee’s responsibility is one of oversight. The members of the Committee are not employees of the Company, and they do not perform, or represent that they perform, the functions of management or the independent auditors. The Committee relies on the expertise and knowledge of management and the independent registered accounting firm in carrying out its oversight responsibilities. The management of the Company is responsible for preparing accurate and complete financial statements in accordance with generally accepted accounting principles and for establishing and maintaining appropriate accounting principles and financial reporting policies and satisfactory internal control over financial reporting. It is also management’s responsibility to develop, implement and monitor the Company’s programs and policies designed to promote compliance with applicable laws and regulations and company policies. The independent registered accounting firm is responsible for auditing the Company’s annual consolidated financial statements and the effectiveness of the Company’s internal control over financial reporting and reviewing the Company’s quarterly financial statements. It is not the responsibility of the Committee to prepare or certify the Company’s financial statements or guarantee the audits or reports of the independent auditors, nor is it the duty of the Committee to certify that the independent auditor is “independent” under applicable rules. These are the fundamental responsibilities of management and the independent auditors.

MEMBERSHIP

The Committee members shall be appointed by, and shall serve at the discretion of, the Board. The Committee shall consist of at least three members of the Board, with the exact number determined from time to time by the Board. The Board may designate one member of the Committee as its chair (the “**Chair**”). Members of the Committee must meet the following criteria (as well as any criteria required by the Securities and Exchange Commission (the “**SEC**”)):

- Except as may otherwise be permitted by the Nasdaq Rules (as defined below) and the rules of the SEC,

each member will be an independent director in accordance with (i) the audit committee requirements of the applicable rules of The NASDAQ Stock Market LLC (the “**Nasdaq Rules**”) and (ii) the rules of the SEC;

- Each member will not have participated in the preparation of the financial statements of the Company or any current subsidiary of the Company at any time during the past three years;
- Each member will be able to read and understand fundamental financial statements, in accordance with the Committee requirements of the Nasdaq Rules;
- At least one member will have past employment experience in finance or accounting, requisite professional certification in accounting, or any other comparable experience or background that results in that individual’s financial sophistication, including a current or past position as a principal financial officer or other senior officer with financial oversight responsibilities;
- At least one member will be an “audit committee financial expert” as defined in the rules of the SEC. A person who satisfies this definition of “audit committee financial expert” will also be presumed to qualify as financially sophisticated under the Nasdaq Rules; and
- Each member will meet any other requirements imposed by applicable law, regulations or rules, subject to any applicable exemptions and transition provisions.

RESPONSIBILITIES AND DUTIES

The responsibilities and duties of the Committee shall include:

Review Procedures

- Reviewing the reports of management and the independent auditors concerning the design, implementation and maintenance of the Company’s internal controls and procedures for financial reporting, including meeting periodically with the Company’s management and the independent auditors to review their assessment of the adequacy of such controls and to review before release the disclosure regarding such system of internal controls required under SEC rules to be contained in the Company’s periodic filings and the attestations or reports by the independent auditors relating to such disclosure;

- Reviewing and discussing with management and the independent auditors the annual audited financial statements and quarterly unaudited financial statements, including the Company’s disclosures under “Management’s Discussion and Analysis of Financial Condition and Results of Operations,” prior

to filing the Company's Annual Report on Form 10-K and Quarterly Reports on Form 10-Q, respectively, with the SEC;

- Recommending to the Board, if deemed appropriate, that the audited financial statements be included in the Company's Annual Report on Form 10-K, in accordance with the rules and regulations of the SEC;

- Reviewing the independence of the outside auditors, including (i) obtaining on a periodic basis a written statement from the independent auditors regarding relationships and services with the Company that may impact independence, as defined by applicable standards and SEC requirements, and discussing with the independent auditors their independence, (ii) to the extent there are relationships, monitoring and investigating them, and (iii) taking, or recommending that the Board take, appropriate action to oversee the independence of the independent auditors, including discontinuing any relationships that the Committee believes compromise the independence of the independent auditors;

- Pre-approving audit and permissible non-audit services provided to the Company by the independent auditors, except where pre-approval is not required because such non-audit services are de minimis under the rules of the SEC, in which case subsequent approval may be obtained. The Committee may delegate to one or more designated members of the Committee the authority to pre-approve audit and permissible non-audit services, provided such pre-approval decision is presented to the full Committee at its scheduled meetings.
