/CORRECTION -- Veracyte/

In the news release, Veracyte to Host Conference Call and Webcast to Discuss First Quarter 2016 Financial Results on Thursday, May 5, 2016, issued 19-Apr-2016 by Veracyte over PR Newswire, we are advised by the company that the first paragraph, first sentence, should read "Veracyte, Inc. (NASDAQ: VCYT) today announced that it will report its first quarter 2016 financial results after close of market on Thursday, May 5, 2016" rather than "Veracyte, Inc. (NASDAQ: VCYT) today announced that it will report its fourth quarter and full-year 2015 financial results after close of market on Thursday, May 5, 2016" as originally issued inadvertently. The complete, corrected release follows:

About Veracyte

Veracyte (NASDAQ: VCYT) is pioneering the field of molecular cytology, offering genomic solutions that resolve diagnostic ambiguity and enable physicians to make more informed treatment decisions at an early stage in patient care. By improving preoperative diagnostic accuracy, the company aims to help patients avoid unnecessary invasive procedures while reducing healthcare costs. Veracyte's Afirma Thyroid FNA Analysis centers on the proprietary Afirma Gene Expression Classifier (GEC) and is becoming a new standard of care in thyroid nodule assessment. The Afirma test is recommended in leading practice guidelines and is covered for nearly 180 million lives in the United States, including through Medicare and many commercial insurance plans. Veracyte is expanding its molecular cytology franchise to other clinical areas, beginning with difficult-to-diagnose lung diseases. In April 2015, the company launched the Percepta Bronchial Genomic Classifier, a test to evaluate patients with lung nodules that are suspicious for cancer. Veracyte is developing a second product in pulmonology, targeting interstitial lung diseases, including idiopathic pulmonary fibrosis. For more information, please visit www.veracyte.com.
